Back-lit Advertising Motorbike Delivery Boxes

NEW INNOVATION

FIBREGLASS BACK-LIT MOTORBIKE CARRIER BOXES

Our advanced illuminated carrier box is engineered for seamless integration with a wide range of delivery motorbike/ scooters. Constructed from Fiberglass Reinforced Plastic (FRP), the enclosure offers enhanced structural integrity, impact resistance, and weather durability. Compared to conventional market options, our carrier boxes deliver extended operational lifespan and cost-efficiency, making them a reliable investment for commercial delivery applications.
